EAHS Students, have you ever wanted a brother from another mother? EAHS Staff, have you ever thought about adopting a son? The Rotary Youth Exchange can make your dreams come true without the lifetime commitment. EAHS can have an exchange student on campus next year, provided we find a few short-term host families. For more information, please see Mr. Becker in the ASB Office.

Attention all students, if you are interested in attending Summer School, the Summer School applications are now available at the counseling office. Those of you who have failed a class, it is extremely important that you pick up an application and submit

it to Irene in the counseling office as soon as possible. Space will be limited so first come, first serve! The deadline to submit an application is Friday, May 17th.

Seniors, we have a limited amount of beautiful double orchid leis to celebrate your graduation. Blue, purple, and white double orchid leis are available to be delivered to you in the gym right before graduation. Stop by the Activities Office to place your order on a first-come, first serve basis while supplies last.
