

EAHS COUNSELING DEPARTMENT NEWSLETTER

4th Quarter at a Glance

Hello Eagles,

We have 41 school days left before graduation, but who's counting?

I want to start off by updating you on our Financial Aid Race to Submit percentage. By the March 2 priority deadline we were at 54% of submission. We worked to have our rate much higher but we are still encouraging students to complete their FAFSA/CA Dream Act application and we are grateful for all the support we received to make this happen. The Counseling Department would like to especially thank GEAR-UP for their continuous effort.

On another note, as I am sure you have heard we will be offering new courses next school year. We are excited to add Sports Medicine, Game Design, PE Conditioning, Philosophy, Journalism, Culinary 3-4, Child Development 3-4, English 10 (0 period) and English 1A/Counseling 1 (dual enrollment). Although we are done with pre registration, we are still adding students to new courses, so if they are interested please refer them to their counselor.

As we come close to the end of the school year, the counseling department would like to take this opportunity to thank you for everything you have done to make this a successful year. Your diligence and dedication do not go unnoticed. Thank you once again for all that you do!

Have a wonderful Spring break as this will be the last Counseling Department Newsletter of the year.
