

All seniors who are photographed between June 1 - July 23, will have their senior picture on their student ID card

Due to yearbook deadlines, we will be taking senior pictures from
June 1-Aug 15.

How does this whole procedure work?

The scheduled time in this email for your FREE senior session will be taken at our studio located at 353 Main St in Salinas

The FREE session includes the following:

Up to 6 images, taken in one outfit, viewed immediately and fully retouched for the yearbook.

This session is taken inside at our studio.

If this covers your needs, and you can make the above appointment, no further communication is needed with us until that day. Call us immediately if you want to change the assigned appointment.

Missing your appointment risks not making yearbook deadlines, and being excluded from the yearbook.

How do you prepare for your session?

- The school is requiring formal attire. We will supply the tuxedo or drape, or you may wear your own formal SOLID black shirt or dress.
- Give careful thought to your hair style and cut.
- Women, your make-up is very important. We suggest that you wear it as you would when going to a special event.

Sessions for personal use.

We have several more comprehensive sessions to choose from. They are detailed on the reverse side of this brochure.

-For upgrade sessions, you may wear what you want. Solid color shirts, in dark tones, work the best. However, in an outdoor session, light colors will also look nice.

How will I view my photos?

For the FREE Session, you will pick your image immediately after your session.

For Upgrade sessions we will post your images online on a private website.
