

Salinas Adult School
Student Council Meeting Notes
03/19/2018

Campus Security: Please contact Miguel if you see anything suspicious or feel unsafe. There are a lot of homeless people around the area so be aware of your surroundings. All teachers have radios they can use to contact campus supervisors immediately.

Updates: ESL classes are also available at other locations. Summer School session will be from May 29th to June 28th. We will have morning (9-12) and evening (6-9) classes. These classes will take place Monday through Thursday, we will not have any classes on Fridays. All ESL classes will be using the Burlington English program. The College and Career Center is open. There is a career advisor available for college and career guidance. Interests and Computer knowledge assessments can be done. Help with registering for SAS computer classes.

100th Anniversary celebration: All students are encouraged to attend. We need as many volunteers as we can get, as there are many jobs that need to be filled. Students are to let their teacher know if they would like to volunteer so they can be signed up. There will be entertainment for kids in the Parent Center. This event is going to be a semi-formal celebration and no alcohol is allowed.

Planning for next year: wish list (activity):
