Activities Director

Patty Lamar
Athletic Director

Welcome to the 2018-2019 school year!

Salinas High School continues to be an incredible educational opportunity for our students and an exceptional workplace for our staff. Being a Cowboy is a privilege and an honor.

Communication between our families and the school is an essential component of our students' success. We send a daily bulletin to families with email. If you would like to be part of this communication again this year, please remember to include an email address on your student's transmittal that you will turn in during Herd Roundup (schedule distribution) or new student registration. This daily bulletin is also posted on our school website daily. Just scroll down on the home page to the "Announcements" section.

This website is full of great information. We update it regularly. If you have suggestions for our website, please email me. We love to include information about our students in the news, even if it is not a school related accomplishment.

If you have questions about in class activities or grades, please contact the teachers directly. Teachers use the online grading program. This year we are using a new program called Synergy. Students have the StudentVue app and parents have the ParentVue app. You will be able to keep track of both academics and attendance using these apps, so download it to your cell phone today. **The best method for contacting teachers is through email.** Our classrooms do not have direct phone lines. If you wish to visit with a teacher, please make an appointment. Teachers are unable to accommodate drop in parent conferences during the school day.

If your question is regarding overall curriculum, activities or programs, please contact the administrator who oversees that particular area, which is found on our website under the "About Us" tab. You can find all staff email addresses under the "Contact Us" tab, then the "Staff Directory" tab.

At Salinas High School we want all students to have the opportunity to excel in academics, athletics, activities and the arts. We can't wait for the journey of the 2018-2019 school year to begin.

Go Cowboys!

Sincerely,

Elizabeth (Libby) Duethman
