

The Parent Center

THE PARENT CENTER

Located at the Salinas Adult School, The Parent Center offers parents and caregivers information to nurture children in a positive, healthy, and loving environment. From pregnancy until your child goes to Kindergarten, we have a class to support you along the way. We work to increase your confidence and understanding of your child's growth and development!

The Parent Education Department aims to support and enrich the lives of families in our community by offering a safe place for children to grow and explore while parents get evidence based parenting skills.

At The Parent Center We offer Lamaze childbirth classes, parent and child activity classes (aka mommy & me), an outdoor children's garden, and the only nationally accredited preschool in Salinas. Preschool registration for next school year is open now. Learn more at: www.TheParentCenter.org
