

- A new collaboration between BridgeHealth, MCSIG and Monterey Peninsula Surgery Centers (MPSC) means HUGE savings on **locally** performed surgical procedures.
- Monterey County School employees now have access to **world-class surgeons** and state of the art procedures with:
 - \$0 out of pocket expenses**
 - \$0 deductible**
 - \$0 co-insurance costs**
- **Types of surgeries** covered include: Orthopedic (Joint Replacement), Spine, ENT, Women’s Health (gynecologic, breast oncology, plastic, reconstructive), weight reduction, and selected general surgeries.
- You must use the BridgeHealth Medical Program to take advantage of savings. For **other** in-network or out-of-network providers, deductible and co-insurance costs apply.
- MPSC specializes in **local outpatient procedures** with five convenient locations in Monterey (3 centers), Capitola and Salinas.
