"We are Golden"

April 2022

Dear Parent/Guardian:

There are many ways to measure your child’s learning. Your child’s teacher uses report card grades, classroom work, teacher observations, and end-of-year statewide test results to get a complete picture of your child’s learning. Each year, students participate in the California Assessment of Student Performance and Progress (CAASPP). Your child will take the following tests, depending on their grade level or instructional program:

- Smarter Balanced Summative Assessments for English language arts and math, required tests in grades 3–8 and 11
- California Science Test (CAST), a required test in grades 5 and 8 and once in high school

This year, the Salinas Union High School District will give the summative assessments in person.

The testing schedule is listed below:

Monday	Tuesday	Wednesday	Thursday	Friday
April 18	April 19	April 20	April 21	April 22
No School No Testing	11th grade ELA SBAC ELA CAT ELA PT	11th grade CAST assessment (39 juniors) NON-TESTING Activities	11th grade Math SBAC Math CAT Math PT	Regular Bell Schedule 10th grade, 11th grade and 12th grade
	12th grade NON-TESTING Activities	12th grade CAST assessment (20 seniors) NON-TESTING Activities	12th grade NON-TESTING Activities	STAR assessments End of LC 7

You are an important part of your child’s education. To make sure your child feels comfortable taking tests, you can:

- Explain to your child that these tests are tools to help them learn, and they should not be anxious or scared.
- Explore the practice tests with your child at caaspp.org/practice-and-training/index.html so they can become familiar with the platform and setup of the tests.
- Remind your child that you and their teacher want them to try their best and are there to help, every step of the way.

You will receive your child's results at or before the beginning of the next school year. The results will identify where your child is doing well or needs more help, so you can better support their learning at home and teachers can better support their learning in the classroom.

To learn more about these tests go to the Starting Smarter web page at ca.startingsmarter.org/, or review the Parent Guides to Understanding at cde.ca.gov/ta/tg/ca/parentguidetounderstand.asp.

If you have questions, please contact **Mount Toro High School, 796-7700**.

Sincerely,

Gloria Chaidez

Principal
