

Salinas Union High School District

LIMITS OF BOARD MEMBERS AUTHORITY

The Board of Trustees recognizes that the Board is the unit of authority over the District. It has broad but clearly limited powers. The exercise of its authority is restricted to the functions required or permitted by law, and then only when it acts in a legally constituted meeting.

(cf. [9000](#) - Role of the Board)

A Board member has no individual authority. Individually a Board member may not commit the District to any policy, act or expenditure. A Board member cannot do business with the District served, nor should a Board member have an interest in any contract with the school District. The Board member represents and acts for the community as a whole and does not represent any factional segment of the community.

(cf. [9270](#) - Conflict of Interest)

Individual members of the Board, by virtue of holding office, shall not exercise any administrative responsibility with respect to the schools or command the services of any school employee. Individual Board members shall submit requests for information to the Superintendent. At his/her discretion, the Superintendent may refer the request to the entire Board for consideration. If approved, the Superintendent or designee shall perform any necessary research associated with the request and report to the Board at a future meeting.

(cf. [1340](#) - Access to District Records)

(cf. [9011](#) - Disclosure of Confidential/Privileged Information)

Obligations of Board Members

Board members should hold the education of students above any partisan principle, group interest, or personal interest.

Board members should understand their role and the programs offered by the District. They should study all agenda materials before the meeting, participate in the discussion of items which come before the Board, vote on motions and resolutions, and abstain only for compelling reasons.

(cf. [9240](#) - Board Development)
