

Salinas Union High School District

SCHOOL-SPONSORED PUBLICATIONS, RADIO AND TELEVISION

The Superintendent and staff are encouraged to use all available school-sponsored media of communication, such as publications, radio and television, to keep the goals, program, achievements and needs of the schools before the public.

The Superintendent may delegate authority to proceed to the central administrative staff and to the school principals as the Superintendent sees fit, but the ultimate responsibility for their performance is the Superintendent's.

The administration is responsible for all informational services to and from the public, except for such matters as the Governing board may from time to time wish to deal with publicly itself.
