

Salinas Union High School District

PARTICIPATION IN COMMUNITY LIFE

School personnel are encouraged to participate fully in the life of the community, and to take part in worthwhile activities such as service clubs, YMCA, Red Cross, United Way, Cherries Jubilee, the California Air Show, the California Rodeo and other community organizations.

The Superintendent shall encourage school principals to arrange staff schedules where this can be done without detriment to the educational program, and without cost to the District, so that they may attend meetings of which they are members.
