

Salinas Union High School District

PUBLIC PERFORMANCES BY STUDENTS

Public performances by students are permitted under the following conditions:

1. That prior approval of the school concerned is obtained by the organization requesting the performance
2. That the performance will contribute to the educational experience of the student
3. That time taken from school is not disproportionate to the educational value the student receives
4. That groups of students giving public performance where the school is party to the performance be under the direction and supervision of certificated school personnel
5. That performances to be held outside the Salinas Union High School District receive prior approval of the Superintendent if the performance is within the State and of the Board of Trustees if it is to be outside the State. Regularly scheduled athletic competitions in accordance with the schedule are excepted from this policy
