

Salinas Union High School District

Business

Policy #3454

STUDENT STORES

The schools of the District are encouraged to provide students with practical learning experiences in the operation of student stores. Student stores are conducted under the auspices of the official student body organization in accordance with the rules and regulations established by the District.

Artwork and/or handicraft products made by students and owned by students may be sold by student stores or may be sold on the school grounds under the auspices of the student body organization of a school.

Policy adopted: 11/24/81
