## **TRANSPORTATION FOR NON-PUBLIC SCHOOL STUDENTS**

Students entitled to attend schools of the District, but who are in attendance at a school other than a public school under provisions of Education Code Section 48222 (private full-time day school) may be allowed transportation in District buses upon the same terms and in the same manner and over the same routes of travel as is permitted pupils attending schools of the District, provided:

1. Space is available on regular routes. At any time, on any day or days, such private school pupils are to be denied bus transportation if space is not available
2. Extra stops are not made, nor are regular routes changed in order to provide transportation to non-public school students
3. Extra buses will not be assigned at any time due to demand for space from non-public school students
