

## **OTHER FOOD SALES**

The Board of Trustees believes that foods and beverages sold to students on school campuses during the school day should promote student health and reduce childhood obesity. Any food sales conducted outside the District's food service program shall meet nutritional standards specified in law, Board policy, and administrative regulations and shall not reduce student participation in the District's food service program.

(cf. [5030](#) - Student Wellness)

The Board authorizes the Superintendent or designee to approve the sale of foods and beverages outside the District's food service program, including sales by student or adult organizations, sales through vending machines, and/or sales at secondary school student stores for fundraising purposes.

(cf. [3551](#) - Food Service Operations/Cafeteria Fund)

(cf. [3553](#) - Free and Reduced Price Meals)

When the District or a student or adult organization sponsors vending machines, the Superintendent or designee shall determine how and where vending machines may be placed at school sites, District offices, or other school facilities.
