To that end, the Superintendent or designee shall establish a drug and alcohol testing program designed to prevent the operation of buses or the performance of other safety-sensitive functions by a driver who is under the influence of drugs or alcohol, including a driver of a school bus, student activity bus, or other school transportation vehicle or any other employee who holds a commercial driver's license which is necessary to perform duties related to District employment.

A driver is also prohibited from reporting for duty or remaining on duty when he/she has used any drug listed in 21 CFR 1308.12-1308.15, unless he/she is using the drug under the direction of a physician who has advised him/her that the substance will not adversely affect the driver's ability to safely operate a bus. In addition, a driver shall not consume alcohol while on duty or for four hours prior to on-duty time. (49 CFR 382.201-382.209, 382.213)

The District's testing program shall include pre-employment drug testing and reasonable suspicion, random, post-accident, return-to-duty, and follow-up drug and alcohol testing of drivers. (49 USC 31306)

The Board shall contract for testing services upon verifying that the personnel are appropriately qualified and/or certified and that testing procedures conform to federal regulations.

Except as otherwise provided by law, the Superintendent or designee shall not release individual test results or medical information about a driver to a third party without the driver's specific written consent. (49 CFR 40.321)(cf. [3542](#) - School Bus Drivers)

### **Consequences Based on Test Results**

Any driver who refuses to take a required drug or alcohol test, tests positive for drugs, or is found to have a blood alcohol concentration level that exceeds the levels specified in law shall be removed from performing safety-sensitive functions in accordance with 49 CFR 40.23 and 382.211.

Not later than five days after receiving notification of the test result or refusal to comply, the Superintendent or designee shall report any refusal, failure to comply, or positive test result to the California Department of Motor Vehicles (DMV) using a form approved by the DMV. If the substance abuse professional recommends that ongoing services are needed to assist the driver to maintain sobriety or abstinence from drug use, the Superintendent or designee shall require the driver to participate in the recommended services as part of a return-to-duty agreement and shall monitor his/her compliance. Any drop from a rehabilitation or return-to-duty program or a subsequent positive test result shall be reported to the DMV. (Vehicle Code 13376; 49 CFR 40.285, 40.287, 40.303, 382.605)
