

INTERDISTRICT ATTENDANCE

The Board of Trustees recognizes that parents/guardian of students who reside within the geographic boundaries of one District may, for a variety of reasons, desire to enroll their children in another District.

(cf. 5111.1 - District Residency)

(cf. [5116.1](#) – Intra-district Open Enrollment)

Interdistrict Attendance Agreements and Permits

The Board may enter into an agreement with any other school District, for a term not to exceed five school years, for the inter-District attendance of students who are residents of the Districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which inter-District attendance shall be permitted or denied. It also may contain standards agreed to by both Districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the District that has been approved by the student's District of residence, or upon receiving a written request from the parent/guardian of a District student who wishes to enroll in another District, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the inter-District attendance agreement.

Transportation

The District shall not provide transportation beyond any school attendance area. Upon request of a student's parent/guardian, the Superintendent or designee may authorize transportation for interdistrict transfer students to and from designated bus stops within the attendance area of the school that the student attends if space is available.
