Disciplinary Considerations

In order to encourage high standards of student conduct and behavior, the principal may deny a student the privilege of participating in graduation ceremonies and/or activities in accordance with school rules. Prior to denial of the privilege, the student, and where practicable his/her parent/guardian, shall be made aware of the grounds for such denial and shall be given an opportunity to respond.

Students are expected to comply with district and school policies, regulations, and rules throughout the school session, including during graduation and related events. Students shall not be denied the privilege of participating in graduation ceremonies and activities except as discipline in cases of serious misconduct. In no event shall a student be denied participation in graduation ceremonies unless the principal or designee has informed the student and the student's parents/guardians of the misconduct and has given them an opportunity to respond.

(cf. 5131 - Conduct)

(cf. 5144 - Discipline)

During the graduation ceremony, a student may be removed from the ceremony for conduct that is disruptive or that poses a risk to safety.

High school seniors shall be notified of this policy in advance, through the student handbook or other means, and shall be required to acknowledge receiving it.
