

PARENT VUE

WHAT IS PARENT VUE?

[LINK TO PARENT VUE](#)

Parent VUE is a website or application that provides parents of middle school and high school students with access to:

- near real time grades
- attendance
- student calendar
- classwork and homework
- ability to send emails to teachers
- update your student's information
- it is also **required for digitally registering** your student each year

HOW TO ACCESS PARENT VUE

You can access your Parent VUE account through:

- a cell phone device
- a desktop/laptop/tablet

In order to create your Parent VUE account, you will need an "Activation Key Code" and you can obtain this from your school registrar.

***You will need a personal email to create your Parent VUE account**
